### ENROLLMENT FEE

Enrollment fees are non-refundable. Must be paid online at time of online enrollment form submission. The Christian Day School Board relies on commitments of enrollment when establishing the operating budget for the school. There are many expenses of continuing nature, such as faculty salaries and facilities maintenance, that require annual obligations. It is essential that the annual income from tuition fees be assured for accurate financial projections.

### TUITION PAYMENTS

All tuition payments will be set up through the FACTS Family Portal during annual enrollment. Tuition payments are automatically drafted each month. Payments made by credit card will incur a processing fee, while ACH payments (from a checking or savings account) do not include any additional processing fees.

If a parent chooses to withdraw their child from the program for any reason (financial or personal), the school must be notified at least **30 days in advance**. This allows us to update our records and stop further tuition drafts. Please contact the School Principal as soon as possible if you are planning to withdraw your child.

Families will receive a Return Notice Letter from FACTS if a payment is returned due to insufficient funds. FACTS will assess a **\$30 Returned Payment Fee** five days after the return from the bank or credit card company. FACTS will attempt to draft the tuition payment again **15 days** after the initial return. Exact dates will be listed in the notification email sent to the parent. Once an account is **35 days past due**, FACTS will begin automated calls to alert families of their outstanding balance. Accounts that have a delinquent and/or past due balance at the opening of the new school year enrollment period will not be permitted to re-enroll.

### TUITION ASSISTANCE

Trinity Lutheran School has established a tuition assistance program to help families in need for students in PreSchool through Sixth grade. Tuition assistance is awarded strictly on the basis of need in a completely confidential process. Families applying for financial aid will need to complete the application by May 1<sup>st</sup> to be considered for the next school year. Financial Assistance will require re-application on an annual basis.

A full tuition Scholarship is also available through the Ohio Department of Education for those who qualify financially. Families interested may contact Principal Amanda Williams for more information. [awilliams@trinitymarysville.org](mailto:awilliams@trinitymarysville.org). Awards do not apply toward enrollment fees.
